Sir:

In response to the Office Communication – Confirmation of IDSes mailed August 3, 2010, please enter and consider the following remarks.

**Remarks** begin on page 2 of this paper.

## **REMARKS**

Applicant respectfully submits that the Office Communication – Confirmation of IDSes dated August 3, 2010, acknowledged receipt and entry of an IDS that was apparently filed in error by other's who were not authorized (i.e., neither Applicant nor Applicant's attorney-representatives) to file papers in the present application. It appears that the IDS having a mailing date of April 15, 2005, and a USPTO receipt date stamp of April 18, 2005, incorrectly listed the serial number of the present patent application, thereby resulting in the entry of the IDS in the present application.

Accordingly, Applicant requests the Office to at least enter this paper into the record of the present application to accurately reflect the erroneous filing of the I.D.S. having a mailing date of April 15, 2005, and a USPTO receipt date stamp of April 18, 2005, by other's who were not authorized to file papers in the present application.

### CONCLUSION

Applicant respectfully requests the present application be passed to allowance, in accordance with the Notice of Allowance dated June 10, 2010. If any issues remain, or if the Examiner has any further suggestions for expediting allowance of the present application, the Examiner is kindly invited to contact the undersigned via telephone at (203) 972-5985.

Respectfully submitted,
